

## Civil Engineering Scholarships

### Faculty of Science, Technology and Engineering

#### Bendigo Campus

The Faculty of Science, Technology and Engineering is a broad-ranging Faculty offering teaching and research in Agriculture, Animal Science, Biological Sciences, Physical and Mathematical Sciences, Nanotechnology, Psychological Sciences, Computer Science, Information Technology, and specialist engineering courses.

The Faculty offers a fully-accredited Civil Engineering program that has exceptional support from industry. A significant strength of the course is the industry-integrated learning program that enables students to work in paid positions in industry under the supervision of professional civil engineers. La Trobe Civil Engineering graduates are highly sought-after and work throughout regional and metropolitan Australia and overseas.

The study experience is enhanced by our renowned support services for international students, including assistance with academic and English language skills.

#### Civil Engineering Scholarships (Bendigo Campus)

The Faculty of Science, Technology and

Engineering offers several scholarships to outstanding international students who wish to pursue the Bachelor of Civil Engineering program within the faculty.

#### Value

The total value of each scholarship is **AUD 20,000** paid at **AUD 5,000** per year over four years. Students must maintain a good academic record in every year level to retain the scholarship for the following year.

#### Eligibility

The scholarships are available to outstanding international high school (Year 12 or equivalent) graduates. To be eligible for these scholarships, prospective students must attach their year 12 or equivalent results and a written **Statement of Purpose** to their application. Students must also provide evidence of their English language proficiency. The standard English Language requirements are as follows:

- IELTS – a minimum overall band score of 6.0 with no individual band less than 6.0 or TOEFL – a minimum score of 550 with a score of 5 or better in the Test of Written English or TOEFL - a minimum score of 233 with a score of 5 in essay writing.

Other English tests and results are acceptable to the University, please see [www.latrobe.edu.au/international/apply](http://www.latrobe.edu.au/international/apply) for more details.

#### How to Apply

Prospective students must submit their application for an admission to La Trobe University by **10 January 2009** for commencing their studies in February 2009.

Students should attach a written **Statement of Purpose** to their application. Scholarships will be awarded on the basis of **academic merit** and the written **Statement of Purpose**.
