Endeavour Awards

AUSTRALIAN SCHOLARSHIPS

The Endeavour Awards program is the Australian Government's internationally competitive, merit-based scholarship program providing opportunities for citizens of the Asia-Pacific, Middle East, Europe and the Americas to undertake study, research and professional development in Australia. Awards are also available for Australians to do the same abroad.

Endeavour Postgraduate and Postdoctoral Awards

The Endeavour Postgraduate Awards provide financial support for international students for up to three years to undertake a postgraduate qualification at a Masters or PhD level either by coursework or research in any field of study in Australia.

Endeavour Research Fellowships

The Endeavour Research Fellowships provide financial support for postgraduate students and postdoctoral fellows to undertake short-term research (four to six months), in any field of study, in Australia.

Endeavour Australia Cheung Kong Research Fellowships

The Endeavour Australia Cheung Kong Research Fellowships provide financial support for postgraduate students and postdoctoral fellows from participating Asian countries to undertake short-term research (four to six months), in any field of study, in Australia.

Endeavour Vocational Education and Training Awards

The Endeavour Vocational Education and Training Awards provide financial support for up to two and a half years for international students to undertake vocational education at a Diploma, Advanced Diploma or Associate Degree in any field of study in Australia. Vocational education and training provides occupational or work-related knowledge and skills. The courses are traditionally non-academic and directly related to a trade, occupation or 'vocation' in which the applicants participate. **These courses exclude degree and higher level programs normally delivered by universities.**

Endeavour Executive Awards

The Endeavour Executive Awards provide professional development opportunities (e.g. intensive management training, peer-to-peer learning, short-term learning, leadership and/or executive management training) for high achievers in business, industry, education or government. **The Awards focus on building skills and knowledge a host work environment rather than through formal enrolment in a study program at a host institution and are not intended to fund direct academic research.**
