

BOND UNIVERSITY

UNDERGRADUATE STUDY OPTIONS

Whether you see yourself as an international diplomat, high-flying business executive, practising evidence based medicine or defending the rights of others, every individual has the potential to achieve something extraordinary. Bond University recognises your passion and fast-tracks your progress. Through a personalised education approach, Bond works with every student to reach the outer limits of their own potential.

THE BOND DIFFERENCE

- First-class facilities
- Accelerated degrees taught over three semesters per year
- Hands-on experience including internships
- Access to blue-chip employers
- Exchange programs (42 partner universities in 18 countries)
- Smaller classes (lowest student to staff ratio in Australia)

ACCESS

- Applicants assessed on a range of factors, including interview, academic ability and potential (not just year 12 exam results)
- 3 intakes a year (January, May and September) for most degrees
- Government FEE-HELP loans available
- Scholarships available
